## AWARD IN MANAGEMENT OF FLAMMABLE LIQUIDS

106/5241/1

# Introduction:

The Britsafe Level 1 Award in Management of Flammable Liquids has been purposefully developed to equip personnel with foundational knowledge and operational awareness required to manage the risks associated with the storage, handling, and usage of flammable liquids in the workplace. This qualification addresses the critical need for competence in identifying ignition hazards, applying appropriate control measures, and ensuring compliance with statutory requirements such as the Dangerous Substances and Explosive Atmospheres Regulations (DSEAR). Through structured learning and assessment, learners will gain the confidence to support site-specific fire safety protocols, chemical compatibility standards, and emergency preparedness plans. The course is ideally suited for warehouse operatives, laboratory personnel, maintenance technicians, and junior supervisors operating in environments where flammable substances are stored, dispensed, or processed. Its practical relevance extends across industries including manufacturing, petrochemicals, automotive, and facilities management. Recognised for its regulatory alignment and entry-level focus, this award offers immediate workplace applicability while forming a stepping stone toward more advanced hazardous substance safety qualifications.

## Qualification Regulation and Support:

The Britsafe Level 1 Award in Management of Flammable Liquids is a formally developed qualification awarded by Britsafe™ Qualifications UK Limited. The qualification is maintained under structured internal quality assurance protocols and is supported by industry subject matter experts to ensure alignment with current UK occupational health and fire safety legislation.
