

# **BRITSAFE LEVEL 1**

## **AWARD IN TRANSPORTATION OF HAZARDOUS GOODS COMPLIANCE**

**109/5317/1**

# Introduction:

The Britsafe Level 1 Award in Transportation of Hazardous Goods Compliance provides foundational competency in the safe and lawful handling, documentation, and movement of hazardous materials across road, rail, sea, or air transport modes. This course is designed to meet the critical safety demands and regulatory expectations outlined in ADR, IMDG, IATA DGR, and UK Carriage of Dangerous Goods regulations, ensuring that personnel involved in consignment preparation, vehicle loading, or logistical oversight can perform their duties in accordance with statutory obligations. Participants will gain structured insights into hazard classification, proper marking and labeling, emergency response protocols, and legal liabilities, enabling them to contribute to incident-free transit operations. Ideal for logistics personnel, warehouse operatives, freight handlers, compliance officers, and new entrants in chemical and transport sectors, this qualification promotes legally compliant transport practices, reduces operational risk, and supports organizational accountability in high-consequence cargo environments.

## Qualification Regulation and Support:

The Britsafe Level 1 Award in Transportation of Hazardous Goods Compliance is a regulated qualification developed and awarded by Britsafe™ Qualifications UK Limited. It aligns with UK legislative frameworks and provides recognised competence support for hazardous goods transport safety.

## Key facts:

<b>Qualification Number:</b>	<b>109/5317/1</b>
<b>Minimum Contact Hours:</b>	<b>4</b>
<b>Guided Learning Hours:</b>	<b>4</b>
<b>Credit Value:</b>	<b>1</b>
<b>Credential Status:</b>	<b>Award</b>
<b>Assessment Method:</b>	<b>Multiple-choice examination</b>

## Qualification Overview and Objective:

The Britsafe Level 1 Award in Transportation of Hazardous Goods Compliance is designed for individuals involved in the transportation of hazardous goods. Participants acquire knowledge and skills related to identifying risks, ensuring compliance with regulations, and proper labeling and packaging. This qualification ensures compliance with legal requirements, contributing to a safer transportation environment for hazardous goods.

The objective of the qualification is to:

- Understand the principles and importance of hazardous goods transportation compliance.
- Identify common risks associated with transporting hazardous goods.
- Learn effective strategies for ensuring compliance with transportation regulations.
- Gain knowledge of proper labeling and packaging for hazardous goods.
- Demonstrate compliance with legal requirements for transporting hazardous goods.

## Entry Requirements:

To register for this qualification, learners are required to meet the following entry requirements:

- Must be aged 16 and over
- Participants should have a basic understanding of the English language to effectively engage with course materials and assessments.
- This course is open to individuals of all backgrounds and experience levels who have an interest in workplace health and safety.

## Geographical Coverage:

This qualification is suitable for delivery in England, Northern Ireland, Wales and can be offered internationally.

## Delivery/Assessment Ratios:

To effectively deliver this qualification, centres are recommended not to exceed the ratio of 1 Qualified Tutor to 12 Learners in any one instance. If centres wish to increase the recommended ratio, they must first inform your dedicated Britsafe™ accounts manager before doing so.

## Centre Requirements:

To effectively deliver this qualification, centres should have the following resources in place:

- Classroom with suitable seating and desks; and
- High-quality teaching and learning resources.

## Guidance on Delivery:

The total qualification time (TQT) for this qualification is 4-hours and of this 4-hours is recommended as guided learning (GL). TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming Guided Learning Hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

## Guidance on Assessment:

This qualification is assessed through a multiple-choice question exam.

- Centre's must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.
- Centres must follow Britsafe™ Examination and Invigilation Procedures. Completed examination papers are to be returned to Britsafe™ for marking or If in case of online examination; records shall be updated on EMS portal accordingly.

## Guidance on Quality Assurance:

Britsafe™ requires centres to have in place a robust mechanism for internal quality assurance. Britsafe™ will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery, quality assurance and invigilation of the qualification.

## Tutor Requirements:

Britsafe™ recommends nominated tutors for this qualification meet the following requirements:

- A relevant health and safety qualification at Level 3 or higher,
- Membership of a professional body (e.g., IOSH, IIRSM) is desirable.
- Hold a relevant subject area qualification/or be occupationally competent.
- Hold a recognized teaching/training qualification (or suitable equivalent).
- Level 3 Award in Education and Training (AET) or Train The Trainer.
