

# BRITSAFE LEVEL 2

## AWARD IN FIRE SAFETY AND FIRE WARDEN TRAINING

114/5328/2

# Introduction:

The Britsafe Level 2 Award in Fire Safety and Fire Warden Training equips designated personnel with the essential knowledge and practical competence to perform the role of a fire warden in compliance with workplace fire safety regulations. Designed to meet the demands of both low- and high-risk environments, this qualification emphasizes fire prevention strategies, legal responsibilities under the Regulatory Reform (Fire Safety) Order 2005, emergency coordination, evacuation procedures, and the principles of fire behavior. Intended for individuals responsible for fire safety arrangements such as appointed fire wardens, shift supervisors, or team leaders this course provides a structured foundation for assessing fire risks, supporting workplace fire drills, and ensuring effective response in the event of an incident. The award is ideal for those tasked with supporting fire risk management policies and contributes significantly to building a resilient and safety-conscious workplace culture.

## Qualification Regulation and Support:

The Britsafe Level 2 Award in Fire Safety and Fire Warden Training is a nationally developed programme that reflects current legislative standards. It is awarded and quality-assured by Britsafe™ Qualifications UK Limited to ensure regulatory alignment and learning integrity.

<b>Minimum Contact Hours:</b>	<b>8</b>
<b>Guided Learning Hours:</b>	<b>8</b>
<b>Credit Value:</b>	<b>1</b>
<b>Credential Status:</b>	<b>Award</b>
<b>Assessment Method:</b>	<b>Multiple-choice examination</b>

## Qualification Overview and Objective:

The Britsafe Level 2 Award in Fire Safety and Fire Warden Training is designed for individuals in roles responsible for fire safety and evacuation procedures. Participants gain advanced knowledge of fire safety, risk assessment, and the role of a fire warden. This qualification ensures compliance with legal requirements and prepares individuals for roles requiring specialized knowledge in fire safety and fire warden responsibilities.

The objective of the qualification is to:

- Develop advanced knowledge of fire safety principles.
- Identify and assess fire hazards and risks.
- Learn effective strategies for fire prevention and evacuation.
- Gain proficiency in using fire safety equipment.
- Demonstrate competence in the role of a fire warden.

## Entry Requirements:

To register for this qualification, learners are required to meet the following entry requirements:

- Must be aged 16 and over
- Participants should have a basic understanding of the English language to effectively engage with course materials and assessments.
- This course is open to individuals of all backgrounds and experience levels who have an interest in workplace health and safety.

## Geographical Coverage:

This qualification is suitable for delivery in England, Northern Ireland, Wales and can be offered internationally.

## Delivery/Assessment Ratios:

To effectively deliver this qualification, centres are recommended not to exceed the ratio of 1 Qualified Tutor to 12 Learners in any one instance. If centres wish to increase the recommended ratio, they must first inform your dedicated Britsafe™ accounts manager before doing so.

## Centre Requirements:

To effectively deliver this qualification, centres should have the following resources in place:

- Classroom with suitable seating and desks; and
- High-quality teaching and learning resources.

## Guidance on Delivery:

The total qualification time (TQT) for this qualification is 8-hours and of this 8-hours is recommended as guided learning (GL). TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming Guided Learning Hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

## Guidance on Assessment:

This qualification is assessed through a multiple-choice question exam.

- Centre's must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.
- Centres must follow Britsafe™ Examination and Invigilation Procedures. Completed examination papers are to be returned to Britsafe™ for marking or If in case of online examination; records shall be updated on EMS portal accordingly.

## Guidance on Quality Assurance:

Britsafe™ requires centres to have in place a robust mechanism for internal quality assurance. Britsafe™ will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery, quality assurance and invigilation of the qualification.

## Tutor Requirements:

Britsafe™ recommends nominated tutors for this qualification meet the following requirements:

- A relevant health and safety qualification at Level 3 or higher,
- Membership of a professional body (e.g., IOSH, IIRSM) is desirable.
- Hold a relevant subject area qualification/or be occupationally competent.
- Hold a recognized teaching/training qualification (or suitable equivalent).
- Level 3 Award in Education and Training (AET) or Train The Trainer.

The background of the entire page is a photograph of three firefighters in full protective gear, including helmets and oxygen tanks, standing in front of a large fire. They are holding a hose that is spraying water onto the flames. The scene is filled with smoke and fire, creating a dramatic and intense atmosphere. The entire image is overlaid with a semi-transparent red filter.
